

PEACE OLORUNTOBA (FULL-STACK DEVELOPER)

PROFILE

As a Full-stack Developer, I have a strong background in the design, development, and maintenance of software applications. I am highly skilled in a variety of programming languages, including C++, Golang, and Python, and have experience working with multiple operating systems and databases.

I am a problem solver and analytical thinker, able to troubleshoot and debug software issues with ease. I am also a team player and a good communicator able to work effectively with both technical and non-technical stakeholders.

I am passionate about staying up to date with the latest software development trends and technologies, and am constantly seeking new challenges and opportunities to expand my skillset

SKILLS & ABILITIES

HTML - Bootstrap
CSS - tailwindcss
JavaScript – ReactJS, NextJS, AngularJS
Python – Django, Flask
PHP – Laravel,
MySQL, SQLite, SQL
C/C++, Golang

EXPERIENCE

FREELANCE
